

Environmental Policy Statement

J.W Crowther & Son Limited is a professional and environmentally conscious organisation, providing Environmental, Cleansing, Winter Maintenance, Plant Hire, Excavation and Maintenance services. The Company acknowledges the impact that its operations may potentially have on the environment and clear objectives are set to minimise any impact.

ENVIRONMENTAL PRINCIPLES

The Company is committed to continual improvement on environmental issues where economically feasible.

We will minimise the production of waste where possible and any disposal of waste produced will be carried out with due care for the environment.

We will try to minimise the use of new products where other recycled materials are a suitable substitute.

Where waste materials or products can be recycled we will make every effort to ensure that they are recycled in an environmentally responsible way in order to conserve resources.

We will compile and keep publicly available this Company Environmental Policy.

We will ensure that our operations comply with current legislation and other relevant requirements.

We will endeavour to control the activities of the company to minimise any risks of pollution to the environment.

We will be a responsible employer and neighbour.

We will ensure that all employees carry out their duties in line with the above statement and, through training, are aware of their obligations.

The Managing Director accepts responsibility for communicating to all staff involved within J.W. Crowther & Son Limited and for ensuring that the Environmental Policy is understood, implemented and maintained.
